Les Éditions Outremontaises - 2010

Cette nouvelle gravure des célèbres
Pièces de Clavecin de Mr. Jacques Du Phly (1715-1789)
a été réalisée à partir des éditions originales
pour les besoins du et de la claveciniste moderne.

Dans le *Premier Livre*, les armures ont été modernisées et le signe + remplacé par 𝄪 .
De plus, la distribution des notes entre les portées a été clarifiée
et l'éditeur a tenu compte des tournes de pages.
Les suggestions éditoriales apparaissent
entre parenthèses ou en pointillé.

J'aimerais dédier ce travail *à Madame Françoise Petit*, pianiste et claveciniste,
la première à éditer ces pièces en 1967,
et avec qui j'ai eu l'honneur et le plaisir de les travailler.

Révision complète : décembre 2010.

Pierre Gouin, éditeur et graveur.
